Dedication

Leland Park

Leland Park is just as much a staple in E.H. Little Library as the green carpet itself. However, after the close of the 2005-2006 academic year, Park will be retiring, and closing the books on his now forty years as the director of the library. A graduate of Davidson College in 1963, Park earned his master's and doctoral degrees in library sciences at Emory University and Florida State University, but his credentials cannot hold a candle to the incredible work he has done for and through the library, student body, and faculty. The library's collection is impeccable, and anything not immediately at your fingers is but a click or phone call away. Upon entering E.H. Little, the research desk proudly greets you with a kind face, eager to help you delve into your research.

"We can do anything any library anywhere can do, but in a nicer setting and in a more personal way."

Leland Park

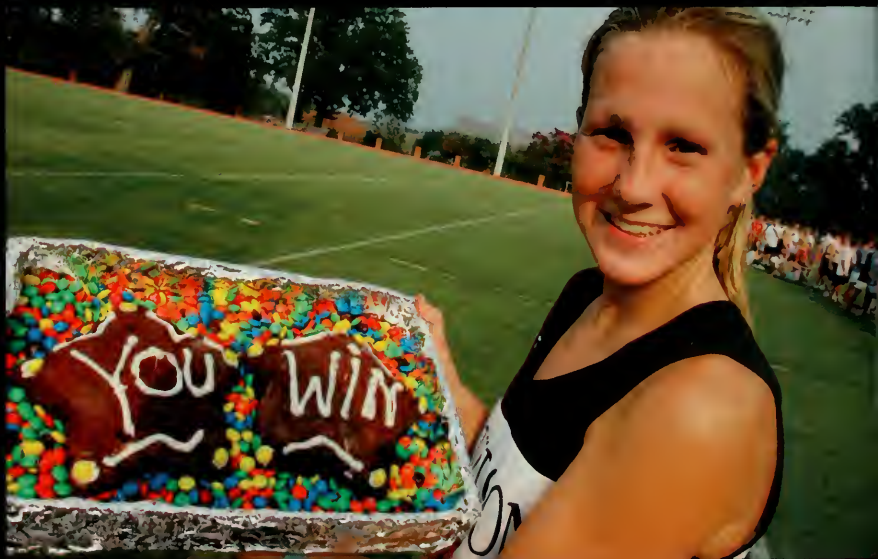

This is no accident: with Park's work as a reference librarian, he recognizes the role of the library as a center for deepening research and making learning interactive and accessible. Park has led a first-rate staff, and they are respected for their merit: students regard them as miracle-workers, and professors regard them as infallible. Leland Park entered Davidson in 1959 as a freshman and will be leaving as only the third director of the library in the history of the college: he leaves us not only a legacy, but an incredibly huge pair of shoes to fill.

After graduating in 1963, Park went on to earn his master's and doctoral degrees before returning to Davidson to work. Since becoming director, he has greeted every incoming freshman class at the library during Orientation, helping to perpetuate and foster the unique relationship Davidson College shares with its beloved library.

Park counts his staff as his most important legacy, and regards them highly, noting that the library is an integral part of the Davidson College experience, and that both the student body and the faculty highly respect and utilize the staff's expertise.

Student Life

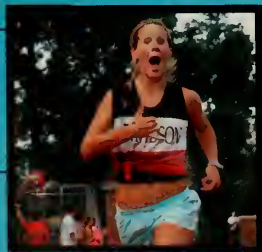

From the Biology Society to Ultimate Frisbee, Davidson students fill the hours of each day with activities that cultivate the intellectual education and profound relationships that form the Davidson College community. Each student pursues his or her own unique passions and interests with unrivaled enthusiasm and zest!

The Wildcat Community

The Davidson Wildcat brings the college and town together into one community. Concert on the Green, newly-opened restaurants like Kudzu and in-town catcard readers bridge the college-town gap.

Students gather in the Union to work out, check mail, eat, attend a lecture, browse the student store, find an organization's office, grab a newspaper or just hang out.

Second Semester Union Events

Second semester brought fun times to the Union--the Iron Chef Cook-Off, Chik-Fil-A at midnight, Battle of the Bands, and April at the Lake, to name a few!

Paul Farmer is as incredible a person as he is an amazingly talented doctor. The humanitarian physician spoke at Davidson on February 9th, lecturing on his work and the provision of health care for those in areas limited in resources, both financial as well as structural. Dr. Farmer has written many novels on health, human, and social rights as well as has lectured at many insitutes of higher learning.

Dr. Paul Farmer

Farmer practices in his active clinic in rural Haiti, the Clinique Bon Savour, and puts into practice his theories and strategies, working with limited resources but providing equitable health care to the poor nonetheless. Striving to aid impoverished peoples by facilitating as well as directly providing health care, Dr. Farmer is an example to us all.

Judy Shepard

Judy Shepard founded the Matthew Shepard Foundation after her son was the victim of an anti-gay hate crime while studying in Wyoming. Since the murder of her son, she has travelled the country, speaking on the importance of peace and tolerance. Her lecture, "The Legacy of Matthew Shepard", advocated equality for homosexuals as well as the dire need for the eradication of hate crimes.

Michael Ondaatje

Michael Ondaatje was the esteemed speaker at this year's Conarroe Lecture, Davidson's top literary event. His most famous and critically acclaimed work is his fiction novel, *The English Patient*. Although best known for his novels, he has also penned screenplays and poetry.

2nd Semester

Bob Dylan

Bob Dylan, the legendary artist, 60s-era counterculture hero, and arguably the greatest songwriter of all time, performed in Baker during the final throes of spring semester. After selling out and then expanding the number of tickets available, he was welcomed by a crowd of Davidson students and community members both young and old, a tribute to his ability to reach and express the sentiments of people from all walks of life, as has been evident for decades.

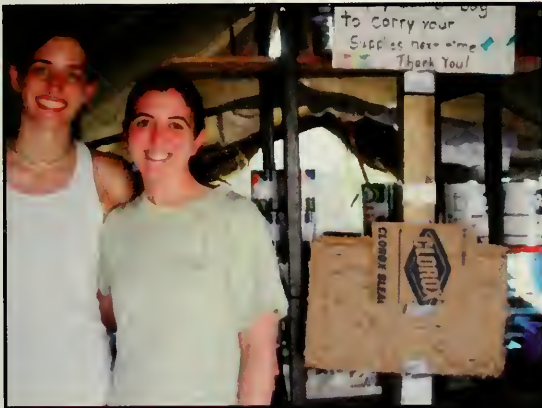

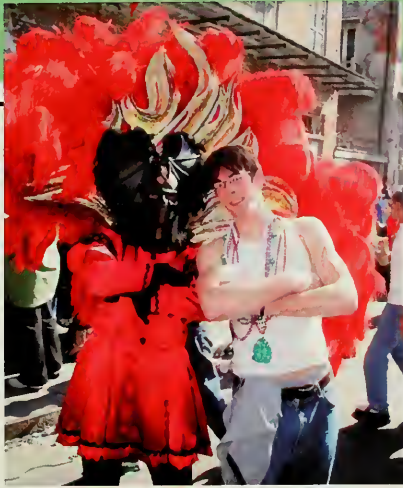

Tony Snow '77

On April 26, 2006, Tony Snow '77 was named White House Press Secretary by George W. Bush. A philosophy major at Davidson, Snow's ability to debate and challenge is rivalled only by his passion for using politics as a platform for the betterment of society. His show on Fox News, the Tony Snow Show, and his recent appointment to this esteemed position have put Snow in the limelight, and the Davidson community could not be prouder.

Service Events

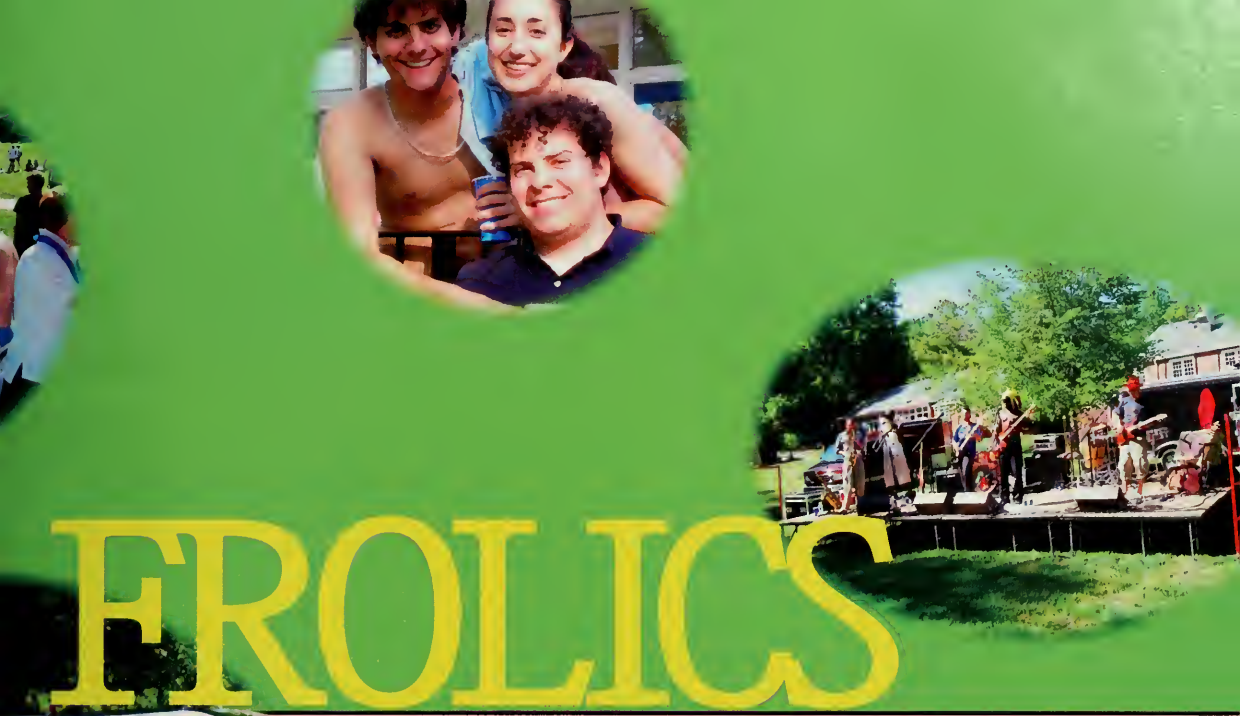

With the occurrence of Hurricanes Katrina and Rita, the genocide in Darfur, the war in Iraq, as well as too-common tragedies such as abuse and rape, the students of Davidson College did not sit back and watch, but took the initiative to raise funds, build awareness and genuinely care for victims of tragedy.

SPRING

>> Martha Shott

Martha's use of optimization to derive a healthy diet of fast food earned her a spot at the 2006 Joint Mathematical Meeting.

>> Brendan Watkins

Brendan Watkins was the 2005 junior recipient of the Goodwin-Exxon Award, as well as president of Alpha Phi Alpha and the Black Student Coalition.

"I've spent four years trying to communicate my knowledge on race because I didn't trust that the audience would understand. Now, they're it goes in my heart, and I'm really proud that they've understood that I'm saying things in a way that only I can do."

>> Athena Stevens

>> Mac Cowell, Kristen DeCelle, Tamar Odle, Matt Gemberling, Nick Carr

These fine few are the only liberal arts undergraduates to present their work at the Intercollegiate Genetically Engineered Machines (iGEM) competition.

Davidson Newsmakers!

The Concert Choir Does Carnegie Hall

During the Davidson College Concert Choir's five-day New York residency this past January, the choir had the once-in-a-lifetime chance to perform in Carnegie Hall under Sprague, a Carnegie Hall veteran. The choir performed Morten Lauridsen's *Lux Aeterna* with two other choirs, as well as did solo concerts at other venues during their stay.

Sam Spencer for Office

Sam Spencer '07, a native of Mecklenburg county, ran on the Democratic ticket for the District I seat on the Mecklenburg County of Commissioners this year. Using the help of some alumni and the promise to inject vitality and new ideas for betterment of school systems into the political mix, he made the Davidson community proud, Republicans and Democrats alike. Watch for him on the ballot in years to come!

Meanwhile, on campus...

Vail Commons got a makeover! Physical Plant renovated the dining hall to facilitate more dining options, quicker service, and better aesthetics, finishing just before the class of 2009 swiped their CatCards for a meal.

The 2006 Commencement ceremonies held on May 14, Mother's Day, set a new record. 451 graduates received diplomas on that day, more graduates than in any year to date.

Davidson faces Ohio State in the NCAA

The Davidson Wildcats set out for Dayton, Ohio, to compete in the first round of the NCAA tournament against the Ohio State Buckeyes. Although the Wildcats led for much of the game, it ended in defeat with the Buckeyes scoring the winning points in the last few minutes for a final score of 70-62. Our incredible attempt did not go unnoticed: Ian Johnson scored 26 points during the game, ESPN called the Wildcats "relentless," and Bobby Vagt was interviewed on Cold Pizza. Nice work, boys!

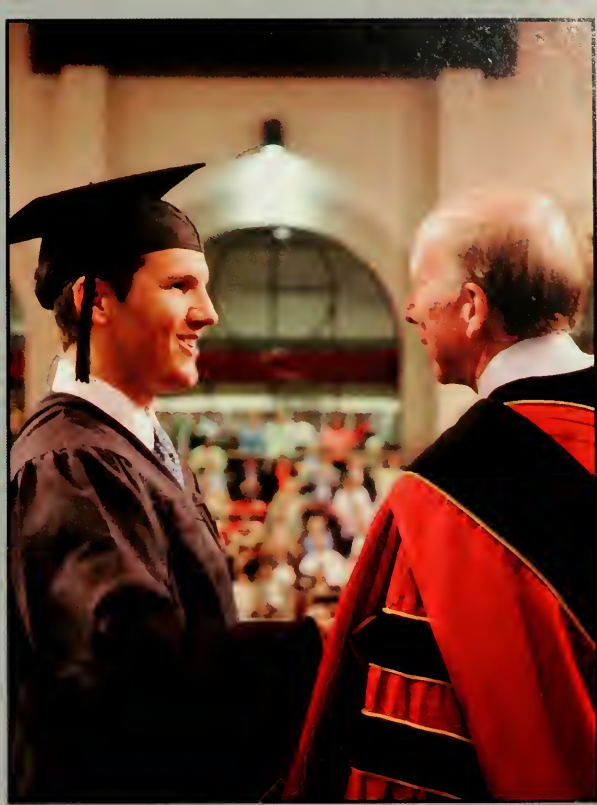

GRADUATION

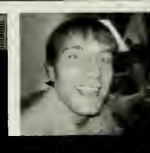

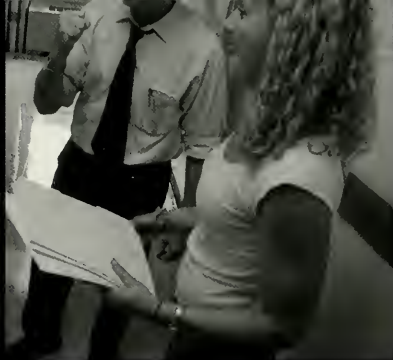

Top honors went to Rebekah Taylor and Caroline Black.

Virtue, Diligence, and Brotherly Love

Founded in 2000

It is with heavy hearts or bitter cynicism that CoHo makes its exit from campus. We could sit here and try to type out all of the accomplishments of the amazing 13 people who made the house survive this year or the other supporters including our advisor Dean Bray-Merrell, Donna Hamm, President Vagt, and our countless alumni and satellite members, but that would take too long and it still would not be enough to show our thanks. Instead, we offer a reader's digest version. Enjoy:

Getting out of debt: \$6,500
Board bills for a social house: \$350 per member
No meal plan: \$0 (We miss James the cook)
House Dinner Potlucks: Amazing (even if none of us are James the cook)
CoHo coffeehouses: 200 hours (or more with baking)
Hinds Feet Farm Mount Everest Climb: 130 hours
(and we reached the summit of Everest)
CoHo and Quesadilla Night Legends party: too sketchy to be listed
CoHo's First Destination formal to Cary Academy: \$600 (not including gas)

-number of times in the Police Blotter: 1, for our sledge hammer, fondly named "The Persuader"
-Swing & Salsa parties (Ah, for the days of our 2nd Night Down Impacto parties),
Knitting club, Movie Nights: who knows
-one Awesome Freshman, who actually took a chance on us: You rock, Eric Martin; we salute you.
-6 years of mixing the sexes with food, randomness, silliness, and adequate sketchiness so that we made a home for those who were "Lusty, busty, smart, and well-hung," according to poet Tox Mahned: ABSOLUTELY PRICELESS

CoHo may not have lived long, but we lived well, and in the words of the CoHo salmon's kindred, the dolphin, we bid you all farewell:

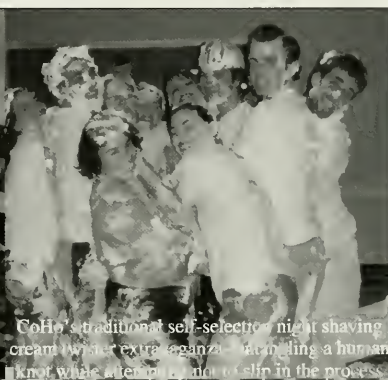

"So long, Davidson, and thanks for all the fish!"

The Murder suspects, characters from every decade in the 20th century, of CoHo's Mystery Murder party gather for a final picture before the end of the evening

The girls get ready for the first night down Pirates and Pastry

Davidson's Mock Trial team was founded in 1999 by students interested in law, politics, debate, and theater. Davidson first sent a team to the National Tournament in 2002, and has done so each year since. In 2005, Davidson placed 7th in the nation at the National Championship Tournament. This was the first time a Davidson team attended the NCT. Our team is assisted by local lawyer George Guise.

DASA is committed to nourishing cultural, intellectual, political, and economic awareness about the African continent. With events such as the annual culture show, dinner and a movie, and fundraising campaigns, they work to expose students to the challenges facing Africa and its people.

The Asian Culture Awareness Association maintains a spirit of solidarity among the Asian American students at Davidson College. They are committed to promote awareness within Davidson of the contributions of the Asian/Asian-American population.

ACAA

Asian Cultural Awareness Committee

OLAS

Organization of Latin American Students

A small but undeniable force, OLAS is very visible here at Davidson, celebrating Cinco de Mayo and the Day of the Dead in full force in the Union. Members of the organization promote awareness of Latino and Iberian culture on campus, extending support to the Admissions office in recruiting and hosting Latino and Hispanic students.

SISTAHS of Essence, founded only last year, participates in various service projects and holds events to foster discussion and awareness of the African-American culture in and around the Davidson College community. They hold discussion forums and several events per year to engage with the younger generation of African-American students in the Davidson community.

SISTAHS

Just Peace

Just Peace provides a safe and supportive environment for students concerned with issues of peace, foreign affairs, American domestic and foreign policy, local news, religion, gender, and media. Just Peace welcomes any member of the college community to engage in dialogue concerning these issues.

The Health Advisors serve the Davidson College student body in a variety of ways throughout the school year. They help the incoming freshman class with a traditionally hilarious skit during Orientatio and follow it up with "Sex Talks" on each freshman hall. They also offer multitudes of individual programs throughout the year as well as organize sevealr awareness tables and Health Center events.

DUFF

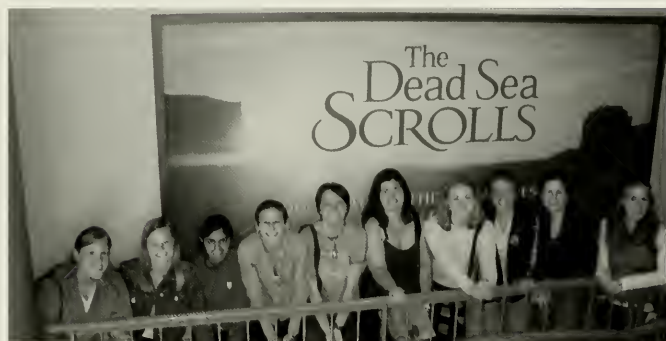

The Davidson Ultimate Frisbee Folk, or DUFF, was created ten years ago, and recently added a less competitive team, the Fun-Loving Ultimate Frisbee Folk, or FLUFF. DUFF went from an 8th place sectionals finish two years ago to a 7th place finish last year, and they have continued to improve this year with an even higher finish in sectionals.

WALT aims to provide a public forum for members of the campus community, support an active and diverse community of music enthusiasts, and encourage music appreciation on campus.

WALT 1610 AM

RSC

Royal Shakespeare Company '05-'06

A team of eight RSC members were on campus for two weeks to work with Davidson students on a production of Shakespeare's scenes, sonnets and songs. "For Every Passion Something" filled the Duke Family Performance Hall to capacity on February 3 and 4. Thirty Davidson students participated as singers, actors, musicians, technicians, administrators, and composers.

Davidson is home to three acapella groups: The Generals (male group), The Delilahs (female group), and Androgeny (mixed-gender group). Although there are obvious differences between the groups, they are all among the most loved student organizations on campus because of their exciting performances each semester.

Davidson Acapella Groups

The Generals

The Delilahs

Androgyny

A group of the most spirited folks on campus, the cheerleaders' season lasts from the beginning of football season to the end of the basketball season. Attending all home games, the cheerleaders are always present to promote school spirit around campus! Go 'Cats!

CHEERLEADING

DANCE TEAM

The Dance Team performs at several football games as well as men's and women's basketball games. In addition to these performances, the Dance Team participates in a year long service event entitled B.E.S.T. dance to help disabled children learn to dance.

The Davidson Sailing Team enjoyed a year of not only casual sailing on Lake Norman, but also racing in Charleston, SC and Knoxville, TN.

Sailing

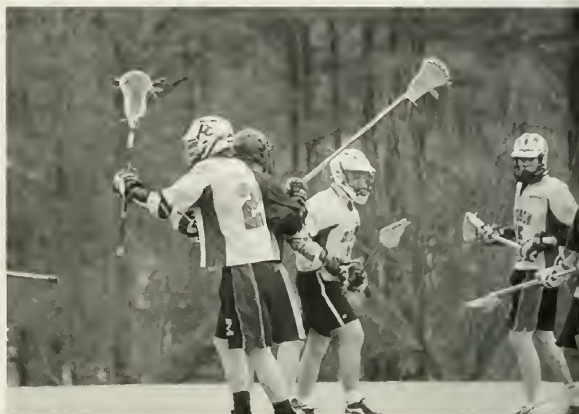

Women's Club Lacrosse

During their first year back as a club sport, Women's Lacrosse scrimmaged against Wake Forest, Elon, and Duke.

Men's lacrosse returned to Davidson college in 2003, and Davidson has joined the Southeastern Lacrosse Conference (SELC) of the US Lacrosse Men's Division Intercollegiate Associates(MDIA).

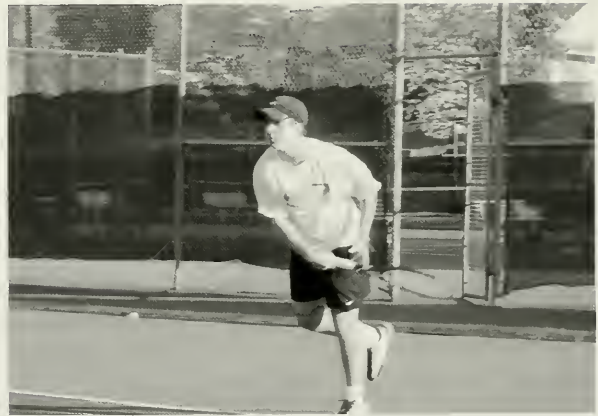

Men's Club Lacrosse

Men's Tennis

The Davidson Men's club tennis team stays fit and has fun serving, volleying, and vying with other teams as well as each other.

"DEDICATION, STAMINA AND TEAMWORK"

Spending upwards of 15 hours a week practicing on Lake Norman, whether at 5 am or 5 pm, every member's commitment is evident in the team's achievements. In the fall we hosted the Fall Classic on Lake Norman over Parent's weekend. Each team finished strong and made their parents proud. At the Head of the Hooch, the Varsity Men gained the respect of many other teams finishing 1st and taking gold at the most prestigious regatta in the south. At the final regatta of the season, the Head of the South, both the Varsity Men and Women teams finished strong in 1st place in their events. Throughout the fall, the Novice teams showed well as they learned to row together. It was the Spring sprint season that was the real test, as the team prepared for SIRA, the biggest regatta the team travels to, in Oak Ridge, TN. In the preceding regattas, all teams showed well and their practicing payed off. The Novice rowers won medals and proved themselves worthy of filling next year's Varsity spots.

-Brady Evans '08

DAVIDSON CREW

Rugby

The Club Rugby team had a lot of new guys come out, and spent the majority of the year preparing for what will surely be a dominant season next year. Dave McMananama '06 said, "Rugby again provided one of the most satisfying bonding experiences of my college career."

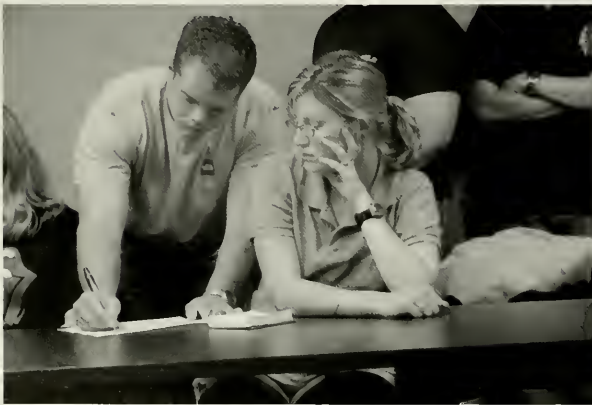

Young Democrats

Our club is a politically progressive organization that strives to raise awareness about democratic issues on campus, as well as to get our members and all Davidson students interested in activism and current events that affect all of us. We put out a publication a couple of times each semester, *Progressive Voice*, usually do voter registration, have 2-3 debates a year with the College Republicans, and participate in canvassing, phone banking, and other volunteering for local, state and even national campaigns.

College Republicans

Promotes and provides information regarding the Republican agenda both locally and nationally, including sponsorship of Republican speakers on campus.

Editor's Piece

It's so great to be writing this, because it means the yearbook is actually completed. There were definitely times when we thought it would never be finished. That being said, there are several people whose contributions need to be acknowledged.

First of all, thanks to all of the staff members who actually finished their pages. As the year goes on, it becomes harder and harder to maintain a full staff and we're grateful for anyone who actually sticks with it.

A huge thanks goes out to Bill Giduz and the entire College Communications staff. Your pictures are wonderful and we appreciate the fact that you allow us to use them. You have really saved this book.

Alison, you have been so patient, supportive, and understanding. You came through in those key moments with your creativity and flexibility. You do so much behind the scenes and we want you to be recognized for it. We look forward to working with you next year!

A big thanks to William Brown for being a fantastic advisor. We are grateful for your support and guidance, even if we are sometimes hesitant to ask you for it.

And we can't forget the ATC. Your generous funding makes the yearbook possible. Thanks also to the parents who contribute to the yearbook in the form of senior ads. Also, special thanks goes to Rachel Kiselewich, our dedicated treasurer, and Cheryl and Gina who keep those odd and even accounts straight.
